

# Dawn Hamilton joins the staff at MCCR

Miner County Pioneer

August 30, 2007

Dawn Hamilton joined the MCCR staff as administrative assistant on August 20, 2007. Hamilton, a 1989 graduate of Howard High, is not a new face to many in Miner County. Dawn attended junior high school in Canova, graduated from Howard High and now makes her home near Carthage.

“Dawn brings her own special talents and abilities to our work here at MCCR,” said Randy Parry, Executive Director. “We’re looking forward to her help on a number of new and continuing projects.”

Hamilton was most recently employed at Dakota State University as a statistician. “I appreciate this opportunity to work closer to home,” said Dawn. “While we’ve been active in our community it will be great to be here every day to be even more involved. I especially hope to become more acquainted with people in Miner County. That’s a part of the job I’m going to really enjoy.”

Dawn and her husband Troy farm west of Carthage. They have three sons: Landon (12), Connor (8) and Karsten (2).

Hamilton fills the position previously held by Staci Eggert who was recently named Executive Director of the Sheriff’s Association. Her office is located in the Business Center on main street Howard.
